

South Coast Water District
Grease Control Program for Food Service Establishments

WASTE COOKING OIL COLLECTION LOG

Name of Food Service Establishment: _____

Address/City _____

The manager must use this form to record waste oil collection pick-up times by a licensed hauler or recycler.

- The hauler or recycler must sign this form.
- Or, if the form is not available when the pick-up occurs, the hauler or recycler must leave a signed receipt which provides the date and details of the collection. The manager must record that information on the log and attach the receipt.

Keep this form in your Grease Control Program binder to show the District's Authorized Inspector.

MANAGER: Your initials on this form acknowledge that a licensed hauler or recycler has collected your waste cooking oil in accordance with permit requirements and best management practices outlined in District Ordinance No. 201.

Collection Date	Name of Hauler/Recycler (print)	Hauler/Recycler Signature <u>or</u> Signed Receipt Attached	Comments (optional)	Manager's Initials

The log continues on the reverse side. Make copies of the blank log for future use or go to our website and print a copy: www.scwd.org.
